Dear Prof. Chou,

I have the honour of inviting you to my department as a visiting scientist for one year starting from September 1st, 1979. We will be able to pay you a monthly salary of about 5000;- Swedish crowns for the period of your stay. I am convinced that we will have a fruitful and stimulating collaboration and that we will be able to do serious work and exchange scientific experiences in the field of biophysics.

We will arrange accomodations for you here in Lund during your stay.

I am looking forward to hear from you soon.

Yours sincerely
