Dear Professor Chou:

I have heard that you are now working in Sweden for one year. I have read your papers published in Scientia Sinica in the past. We are pleased to know that your research line is very close to ours. We would therefore appreciate very much if you could join our institute to work for one year after your stay in Sweden. We shall provide travel expenses and a stipend which will cover your living expenses.

Looking forward to hearing from you soon, I remain

yours sincerely,

Manfred Eigen
